

Eppendorf Summer Special – Dispensing with style!

FREE Multipipette® plus/stream with Combitips® plus

Purchase either 5 boxes of **Combitips plus*** to receive a FREE **Multipipette plus** (catalogue no. 4981 000 019) or 10 boxes of **Combitips plus*** to receive a FREE **Multipipette stream** (catalogue no. 4986 000 017).

Multipipette plus & Multipipette stream features include:

The Multipipette plus is the ideal precision instrument for saving time in the laboratory. Combined with Combitips plus the increased volume selection provides all-round support for research tasks allowing outstanding flexibility.

The Multipipette stream is ideal for high precision multi-dispensing of volumens in long series – thus helping to save time and reduce RSI.

Offer ends 30th September 2010.

* Offer is valid for Combitips plus Standard and Eppendorf Biopur from 0.1 ml to 50 ml. Assortment pack Combitips plus – standard (catalogue no. 0030 069 285) is not included in the offer.

** Discounts are calculated exclusively from listprices on croatian market and not from special prices (e.g. public tenders, special agreements etc.)
